

Rotary

- Marquette West Rotary was founded in 1984.
- Our fund-raising event-HarborFest has allowed us to give almost \$700,000 in grants to local non-profit organizations over the past 38 years.
- Our Club meets on Wednesdays at the Delft Bistro from 12:00-1:00 PM. We invite a guest speaker to tell our club about projects, events, and services. This is a wonderful way to learn more about our community.
- Lunch is served at our meetings. This gives members a chance to network and socialize during our meetings.
- Listed below are the organizations Marquette West Rotary supported with grants in 2021.

What does it cost to be a Rotarian in Marquette West Rotary?

We have four quarters in our fiscal year and members are billed the following amounts each quarter.

- Local Dues= \$25 (\$100 per year)
- International/District Dues= \$38 (\$152 per year)
- Meals= We are in the process of changing our meal fees as we understand people's lives and work don't always allow them to attend every meeting. Currently meals are \$165 a quarter (10 meals) but starting July 1st we will only bill for meetings members attend.
- Meal costs are estimated to be \$16.50 per meal.
- If you attend 5 meetings-you would be billed the \$16.50 X 5 or \$82.50 for meals

Cost example

- Both fees and 5 meals would be \$82.50 for the quarter
- Both fees and 9 meals would be \$148.50 for the quarter

Marquette West Rotary would like to thank you for meeting with us as we look to expand our club. If you join Marquette West Rotary you can help us serve our community for future generations.
